

Elias Ringquist

Elias Ringquist – Singer, composer, producer and voice over/actor. From his early days of acting in well-known films and television series to producing music in various genres, Elias has done it all.

During his school days he began playing drums, saxophone and piano, and eventually found his voice in singing.

Elias has performed both on and offstage with various artists, while recently producing music for others. Radio station P3 picked up the song "Wu Girls" from his debut album "4 Clubs & Hearts" when he was chosen as Artist of the Month. During this time Elias also competed as a finalist in Swedish IDOL.

Elias operates artistically as well as producing and composing music for others. Agnes Cohen's debut EP is one of his projects. He is also working as a voice over and has done work for companies such as Viaplay, STIGA, Arbetsförmedlingen, Arla, Booking.com, Tiptapp etc.
